

## Extension of PPT Loan Facility Repayment Date

Nagambie Resources Limited (ASX: **NAG, Nagambie** or the **Company**) advises that it, and its wholly-owned subsidiaries, Nagambie Developments Pty Ltd and Nagambie Landfill Pty Ltd (**Subsidiaries**), have agreed with PPT Nominees Pty Ltd (**PPT** or the **Lender**) to extend the repayment date of the outstanding balance under the Company's existing loan facility with the Lender, the terms of which were disclosed to the market in the Company's ASX announcement dated 6 March 2025 titled "\$1.0 Million Increase in Flexible Working Capital Facility" (the **Facility**).

Following the issue of 100 million shares to PPT on 13 April 2026 to retire \$1.5 million of debt, the current outstanding balance under the Facility is \$1.5 million. The Company and PPT have agreed to extend the repayment date for the outstanding balance of the Facility from 13 September 2026 to 13 September 2027. There are no other material changes to the terms of the Facility.

The extension provides the Company with increased flexibility in managing its working capital while it continues to progress its operational and strategic objectives. The Board considers that the extension of the Facility with PPT is the most commercially efficient source of funding available to the Company in the circumstances, having regard to alternative funding options.

Mr Kevin Perrin, a director of PPT, is also the Non-Executive Chairman of the Company and a substantial shareholder. Accordingly, PPT is a related party of the Company for the purposes of the ASX Listing Rules.

The Company confirms that the extension does not increase the Facility limit, the amount outstanding under the Facility or the security granted in favour of PPT, nor does it otherwise materially amend the terms of the Facility in a manner that advantages PPT or disadvantages the Company in a material respect.

This announcement has been approved by the Board of the Company.
